

DEUTZ ENGINE AND REPLACEMENT PARTS

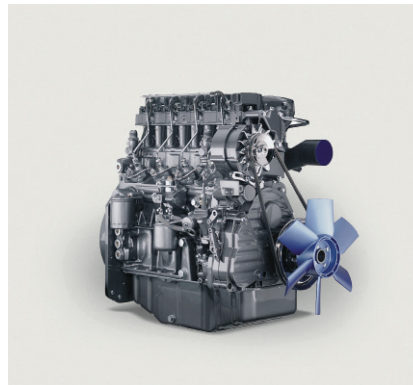

ENGINE PARTS

CONVENIENT ONE-STOP SHOPPING WITH DEUTZ ENGINE, REPLACEMENT PARTS

JLG offers you a time saving enhancement through our Deutz engine and replacement parts program. This program makes it possible to procure all of your Deutz engines and engine parts from JLG. By limiting the number of vendors to support your rental fleet, you decrease the demand on your resources to manage suppliers.

As a company, JLG prides itself on customer satisfaction; we are committed to providing you the lowest cost of ownership for all your equipment.

For a complete listing of parts available through this program, please visit:
Online Express/Aftermarket Products/Engine Parts/Deutz/Deutz Engine Parts

Features and Benefits Include:

- Reduced vendors, transaction costs and freight charges
- Competitive pricing
- Simple ordering process, shown below
- Over 40,000 parts available express
