

# ARCTIC PACKAGE INSTALL KITS

## RETROFIT PROGRAM

## The Job Doesn't Stop Because It's Cold Outside

Face it - cold weather is hard on equipment. But the work must go on. Don't shut the job down just because winter is here - take steps now to prepare for cold weather. JLG offers an Arctic Package Installation Kit, complete with everything your AWP needs to operate efficiently in the coldest weather. The kit provides engine block, battery and hydraulic heaters, as well as specially designed electrical harnesses and hoses where applicable.

Get all this and more in one easy-to-order kit:

- Faster and easier startups
- Uptime maximization
- Specific to model and serial number
