

JLG REMAN PARTS OVERVIEW

SAVE TIME AND MONEY WITH JLG REMAN PARTS

JLG Reman offers a low cost alternative to buying new with an extensive line of remanufactured programs that save you time and money. Let JLG do the work and take advantage of reman parts that are ideal for repairing older equipment.

ELIMINATE THE LABOR INTENSIVE PROCESS AND LET JLG DO THE REWORK. EACH JLG REMAN PART:

- Is remanufactured to original specifications and factory-approved
- Carries a one year warranty unless otherwise noted
- Is easily combined with other orders through Online Express

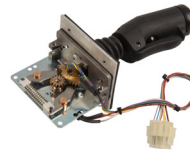

ALTERNATORS | STARTERS

- Units tested for torque, correct drain and engagement voltage performance
- Current oscilloscope tested
- Cores must be returned

CONTROLLERS

- Controllers for multiple makes of equipment including: Genie, Grove, JLG, Marklift, Skyjack, Snorkel, Terex, Upright
- Core not required

DANA AXLES AND TRANSMISSIONS

- Save up to 38% when compared to buying new
- Genuine Dana parts and processes used in the remanufacturing process
- Tested and primed prior to delivery
- One year or 1,500 hours warranty (whichever comes first)
