

### Enhance The Capabilities of Your Boom Lift

Enhance your JLG® boom lift with SkyPower®, a completely self-contained 7500W generator with integrated power cable and airline. This package allows for the use of an assortment of productivity-enhancing electrical and pneumatic accessories including, but not limited to, SkyWelder® and SkyCutter®, giving the operator a “Workstation in the Sky.”

#### Features and Benefits Include:

- Integrated power cable and airline allow you to quickly attach or detach a variety of JLG accessories
- Eliminate the tracking and delivery costs associated with a separate generator
- Eliminate the need to move and reposition the generator, resulting in significant time savings
- Save fuel by using SkyPower in place of a separate ground-based generator
- Six hour installation
