

TIRE EXCHANGE PROGRAM

• RETURN FREIGHT NOT INCLUDED •

Increase Your Green by Going Green

When you have to cut costs, trust only the JLG Tire Exchange Program for your telehandler tires. JLG now offers a low cost alternative for tires. The process of taking waste and creating new products benefits both the environment and the consumer.

Features and Benefits Include:

- Save money while maintaining quality
- Increase productivity and reduce cost of operation with foam fill vs. pneumatic
- Eliminate flat tires which eliminate down time
- Longer tire life - two to five times longer than air filled tires
- Eliminates or reduces frequent tire repair costs

Environmental Benefits:

- Reduces the Carbon Footprint
- Process produces less Green House gas emissions
- Old tire/foam fill is recycled

Ordering Process:

- Order an exchange assembly (wheel/tire)
- Upon receipt of the new assembly, ship your old assembly back to JLG (see page 2 for instructions to ship back core)
- Upon receipt of your old assembly, the tire carcass is cut off
- Rim is inspected for damage and cleaned for re-use
- New casing is put on and then filled with new foam

Core Return Requirement:

A core (wheel/rim) is required to be returned for each unit ordered. The core is required to be returned within 30 days or a \$250 core charge will be assessed for each unit not returned. Returned cores must be re-usable otherwise a core charge will be assessed.

Note:

Please follow instructions below to schedule core pick up.

1) Band wheel/rim or complete assembly (2 per pallet maximum)

2) Select the weight of the pallet based on the choices below:

13x24	1678 lbs (2 assemblies)	17.5x25	2348 lbs (2 assemblies)
14x24	2100 lbs (2 assemblies)	370/75-28	1724 lbs (2 assemblies)
15.5X25	1936 lbs (2 assemblies)	400/75-28	2020 lbs (2 assemblies)

3) Call 855-212-0006 to schedule, **specifying that you are scheduling a pick up for the JLG Tire Core Program**

4) Provide the following information:

- Pick-Up Address
- Shipping Hours
- When Freight is Ready
- Commodity Description
- Number of Pallets
- Total Weight (lbs.)
- Freight Class
- Linear Feet Required
- PO Number

Warranty:

Limited 2 year supplier warranty. For specific warranty requirements or to make a claim, contact: partsprograms@jlg.com.
