

DANA AXLES AND TRANSMISSIONS REMAN PARTS

(RE)USE. (RE)NEW. (RE)BORN.

SAVE TIME AND MONEY WITH JLG REMAN PROGRAMS

JLG Reman presents: Dana Reman Axles & Transmissions Program. JLG and an authorized Dana provider have partnered to create a best-in-class product. This program provides the customer with a lower cost alternative to purchasing new Dana axles and transmissions, as well as an increased warranty life. All Dana axles and transmissions in the program are remanufactured back to current OE standards. In completing each unit, ONLY original components are used to ensure the utmost quality.

Features and Benefits:

- Savings up to 50% off when compared to new units
- 1 year or 1,500 hours warranty (whichever occurs first)
- Eliminates investment in training, specialized tooling and test equipment at customer's facility
- All seals and gaskets are fully replaced
- Units tested to latest factory test specifications and painted (primer)

Free one-way shipping for Reman drivetrain (customer responsible for returning core)

- Environmentally friendly: Reuse of cores eliminates waste
- Repair and Return available for all DANA Axle & Transmission units (regardless of make/model) if no cores to currently work- More info can be requested by reaching out to reman@jlg.com
